as "Gomal" for these villages and is at a distance of about four miles from Dasanaikanahalli. The complaint of the petitioners refer to the in-sufficiency of Gomal to their cattle and the distance at which it has been assigned:

The grievance seems to be real: The lands in the Mallagal Valley in which S Nos 1 & 4 (measuring an 617-14) are included have been leased out to the military Grass Farm for a period of three years from 25th August 1915 allowing the grazing right free to the people of Kothamanahalli on certain lands. Revenue Miscellaneous Appeal Case No.54

of 17-18.

Appellants:-- Respondent:-

Raiyats of Dasanaikanapalya, Bangalore Taluk. VS. G O V E R N M E N T.

Subject:--

Appeal against the decision of the Forest Settlement Officer in Mysore declining to set apart a portion of the --- Mallegal Valley Block in the Bangalore Taluk as Gomal to the Village of Dasanaikanapalya, one of the hamlets of the Jarakabande Kaval, Bangalore Taluk.

Facts of the case:--

1. On the recommendation of the Conservator of Forests supported by the Revenue Commissioner the proposed reservation of the Block in question was sanctioned by Government in their Proceedings No.R.10288-91/Ft.152 -16-3 dated 11-4-1917 and they -- directed the publication of the initial Notification. After due notice to the villagers affected by the proposed reservation and hearing their grievances on 10-11-1917, the Forest Settlement -- Officer rejected the claim of the raiyats of Dasanaikanapalya for grant of gomal to their cattle for reasons given in his ~~ordered~~ dated 14-11-1917. Hence the appeal.

2. The area (685 acres and 26 guntas) now proposed for the block in question together with other lands in the surrounding villages were at a great cost acquired in 1893-94 at the -- desire of the British Government for the then proposed Mallegal Water Supply project. As the project was abandoned in 1895, some lands were restored to the Raiyats from whom they were taken, while the rest remained the property of Government and were leased out in 1908 or thereabouts to the Military authorities for the ~~pur-~~

purpose of Military grass Farms. The four survey numbers of Jarakabande Kaval Viz., 1, 2, 3 and 4 now proposed for the State Forest were also leased out for the same purpose for ten years on the 4th April 1916. Of these, Survey No.3 (32 acres 20 guntas) formed the only gomal in the Village in question and was acquired in 1893-94 for the Mallegal project without payment of any compensation.

3. They appellants say that they could not raise any objection at the time of the acquisition of the said Survey No.3 nor at the time of leasing it out to the Military Authorities as they were then under the impression that their village itself would be required for the then proposed water supply project and pray that an extent of about 100 acres of land for the grant of which they have been petitioning since 1913 may be given to them for the benefit of their cattle now numbering about 300. They prefer S.No.4 and a portion of S.No.1 adjacent to it, to S.No.3.

4. The Forest Settlement Officer while admitting the justice of the appellants' claim in ordinary cases, very much doubts whether any help can be given to the appellants in the peculiar circumstances in which their village is placed, the circumstances being (1) that there are no other Kharab lands near the village, (2) that Survey No.3 being in the midst of the proposed block and having been leased to the Military Authorities cannot be granted, (3) that the usual margin of 5 chains around the cultivation lands in the village cannot be given effect to at present as it is included in the grass farm, unless Government take steps to get this strip measuring about 50 acres and quite sufficient for the grazing purposes of the Village released from the grass farm earlier than the lease expires.

3. In his opinion, want of cultivation margin at present and for some years to come will entail no great hardship to the Villagers who have all along reserved a portion of their own holding for grazing purposes, as the proposed reserve does not become covered with high Forest growth for a number of years. He however, permits them a foot path to go to Muniswara Temple is S.No.1.

As the Villagers have got no gomal at all now, Survey No.4 measuring 28 acres, 34 guntas may be excluded as well as 31 acres 6 guntas out of Survey No.1 adjoining Survey No.4 to make up a total of 60 acres of Gomal which the petitioners agree will be --- sufficient for their needs.

To

MAJOR E.H.S. JAMES,
First Assistant to the Hon'ble the Resident in

SIR,

I am directed to invite reference to the correspondence ending with Major Tucker's D.O.letter No.401, dated 18th January 1917, in the matter of the lease of 18,000 acres of grass land - to the Military Grass Farms Department, and to state as follows:-

With a view to conserve the grass in the Mallegal valley (item No.6 of Schedule B of the lease deed), the area therein -- referred to was notified for reservation and settlement as a State Forest. The Raiyats of the Jarakabande Kaval village to which a large part of the lands of the Mallegal valley belongs, having -- complained to the Deputy Commissioner of the want of grazing lands for their cattle, that officer has proposed that an extent of 60 acres, viz., 31 acres and 6 guntas out of Survey No.1, and 28 acres and 34 guntas out of Survey No.4 of the Jarakabande Kaval village may be excluded and made available for free grazing for the village.

2. As it is reported by the local officers that no other land is available in the neighbourhood and that the raiyats find it very difficult to secure pasture for their cattle which number about 302, I am directed to enquire whether, in their interests, the - - - Military Department would find it convenient to set free the aforesaid extent of 60 acres.
